Friends of Canadian Corridor

Tenth Annual Woovookarung Wildflower Walk

October 12th daily to October 19th 2025

Dear Friends

The Field Naturalists Club of Ballarat and the Friends of Canadian Corridor are hosting a **self-guided** pop-up wild flower trail walk along the Dementia Friendly Forest and Sensory Trail in Woovookarung Regional Park beginning at 11am on Sunday 12th October 2025.

The 1.2 km walking trail start point is at the Car Park and the trail is a gentle uphill on formed track with the return gentle downhill. Good footwear is recommended

Signs will identify the start and the path will be marked with information signs identifying the diversity of wildflowers along the trail. A description of the wildflowers can also be found at: www.focc.asn.au/flora

2025 has been dry year for wildflowers. They are smaller and flowering at slightly different times. An excellent opportunity to view the flowers in dryer conditions. The pop-up trail will be open daily from Sunday 12th October until 4pm Sunday 19th October 2025.

Further walk information:
